

iter. 5.3

The figure displays two vector fields on a 10x10 grid. The left plot shows a vector field with blue arrows, and the right plot shows a vector field with orange arrows. Both plots show a similar pattern of arrows, with some pointing up, some down, and some right.

| Plot | Arrow Color | Arrow Direction (approximate) |
|-------|-------------|-------------------------------|
| Left | Blue | Up |
| Left | Blue | Up |
| Left | Blue | Right |
| Left | Blue | Right |
| Left | Blue | Right |
| Left | Blue | Down |
| Left | Blue | Down |
| Right | Orange | Up |
| Right | Orange | Up |
| Right | Orange | Right |
| Right | Orange | Right |
| Right | Orange | Right |
| Right | Orange | Down |
| Right | Orange | Down |
