

The figure consists of four 100x100 grids arranged in a 2x2 layout. Each grid contains a different visualization of a 2D distribution.

- Top-left grid:** Features blue arrows and dots. Arrows are located at various positions, including (0, 100), (100, 100), (100, 0), (0, 0), (50, 50), (50, 60), (60, 50), (60, 60), (70, 70), (70, 80), (80, 70), (80, 80), (90, 90), (90, 100), (100, 90), and (100, 100). Dots are located at (50, 50) and (60, 50).
- Top-right grid:** Features orange circles with the number '1' inside. The circles are located at (90, 90), (90, 100), (100, 90), (100, 100), (50, 50), (50, 60), (60, 50), (60, 60), (70, 70), (70, 80), (80, 70), (80, 80), (90, 90), (90, 100), (100, 90), and (100, 100).
- Bottom-left grid:** Features blue arrows and dots. Arrows are located at various positions, including (0, 100), (100, 100), (100, 0), (0, 0), (50, 50), (50, 60), (60, 50), (60, 60), (70, 70), (70, 80), (80, 70), (80, 80), (90, 90), (90, 100), (100, 90), and (100, 100). Dots are located at (50, 50) and (60, 50).
- Bottom-right grid:** Features orange circles with the number '1' inside. The circles are located at (90, 90), (90, 100), (100, 90), (100, 100), (50, 50), (50, 60), (60, 50), (60, 60), (70, 70), (70, 80), (80, 70), (80, 80), (90, 90), (90, 100), (100, 90), and (100, 100).
