

iter. 5.5

The figure displays two side-by-side vector field plots on a 10x10 grid. The left plot shows blue arrows, and the right plot shows orange arrows. Both plots represent a vector field at iteration 5.5. The arrows in both plots are generally pointing right and down, indicating a flow towards the bottom-right corner. The left plot has arrows at (1,9), (2,8), (6,5), (7,4), (7,3), (1,1), and (2,0). The right plot has arrows at (3,9), (4,8), (9,5), (9,4), (9,3), (3,1), and (4,0).
